and was afterward prominently identified with the stirring events that marked the reconstruction period in the South.

HIGH ENDORSEMENT.

He was endorsed for the position by many United States Senators of all parties, and his nomination gave general satisfaction in the Senate. He was endorsed by both the South Carolina Senators. His nomination was confirmed without reference to a committee.

THE CAVALRY COMPANY.

The Stuart Horse Guard will hold a meeting Monday night at 8 o'clock. Captain Clegg is most anxious to encourage Hon. W. H. Wallace to be mustered in under the last call for 75,000 men, and they invite all who mean business and will agree to follow the United States flag anywhere it may lead to join with them at this meeting Monday night.

Captain Joseph Willard's company will to-day begin to do its own cooking. The kitchen and mess-hall have been completed.

There will be another goat in camp soon. A Billy is going to be presented to Captain Willard's command.

Mr. Kruger, of Norfolk, will arrive here to-day to organize a band for the Fourth Regiment. He has been the leader of the orchestra at the Academy of Music in his city and once belonged to the Naval Post Band. He will secure several musicians in Richmond.

The appointment of a chaplain for the Fourth Regiment has not been made. Colonel Taylor may decide this matter to-morrow.

Colonel G. W. Taylor's family are at Murphy's Hotel. His little son spent yesterday at the camp and declined to leave. He spent the night in the tent with his father.

The wife of Captain R. F. Freeman, of Danville, is at Mr. John W. Ferguson's on Church Hill.

"ALLIANCE" WITH ENGLAND.

Company A, Second Regiment, Virginia Volunteers, was entertained yesterday afternoon at Chantilly on the Broad

street road by Mrs. and Miss Blacker. Tables were set on the lawn and a feast spread including strawberries and cream in such abundance that even the seventy-six officers and men were forced to surrender without consuming nearly all provided for them. After supper the men amused themselves on the lawn at tennis, ball throwing, etc., and wound up with an admirable exhibition drill.

For once England and America were in very close alliance and one company at least will not soon forget British hospitality.

The ladies simply requested that a company not from Richmond be sent, thus showing their thoughtfulness in wishing to entertain those far from the comforts of home.

Captain McGruder and his men seemed to enjoy themselves thoroughly. The ladies were assisted in entertaining their guests by Mr. H. H. Clarke. There were also present Dr.

George W. Carrington, Dr. Joseph A. White, and Dr. J. W. Eggleston.

World's Record Broken.

WILLOW GROVE, May 28.—The opening day of the season under the auspices of the American Cycling Race Association was most successful.

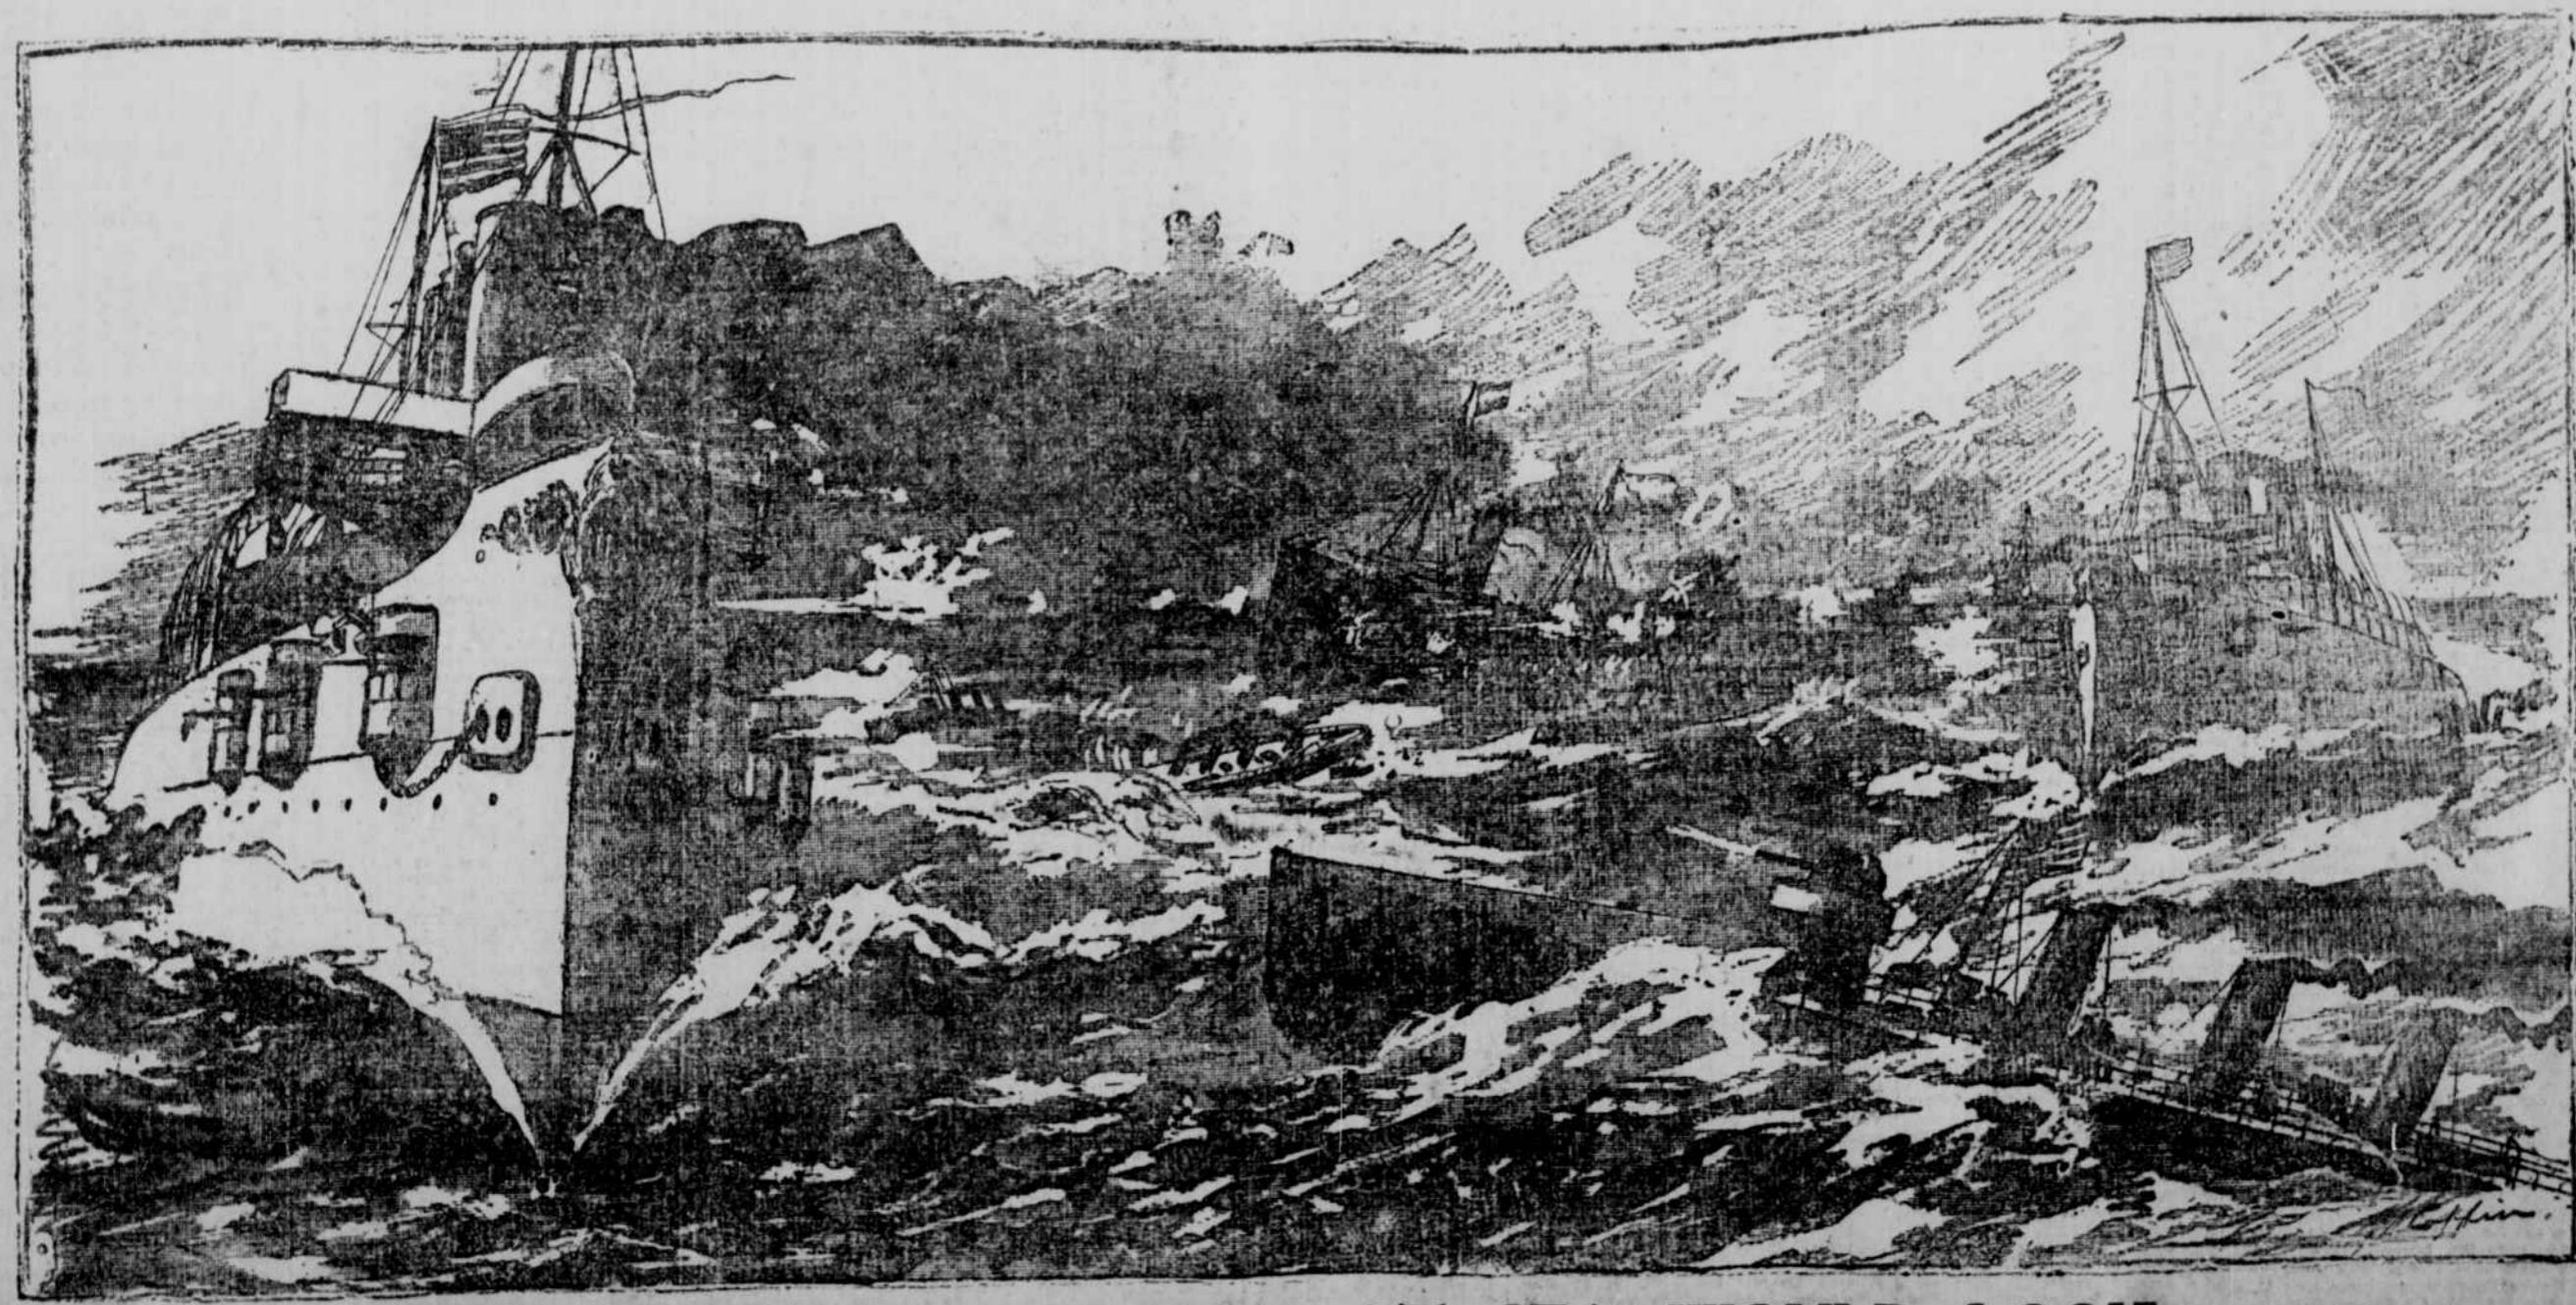

Michael carried off the honors in an

exhibition two miles, paced, breaking the world's record of 3:27, made by J. Platt Bettis, at the Crystal Palace, London.

Michael's time to-day was 3:25 2-5. He rode the distance with perfect ease, making the first third in 31; the second in 124, and the first mile in 1:29 4-5. The remaining three laps was covered respectively in 1:15, 2:51 1-5, and 3:26 3-5.

The other important event of the day was the match race of twenty miles between Edward Taylor, the French champion, and J. Frank Starbuck, of this city, Taylor winning after an exciting race by 25 yards in 3:19 3-5.

Mr. S. K. McKee, general secretary of the Richmond Association entered upon his twelfth year of association service last week.
